#All Turnover Figures are on a per-month basis. Turnover Cycle is considered to be from 26th of current month to the 25th of next month.

*Charges/Slabs are subject to change from time to time. The charges at the time of availing of the services would be applicable.

*DP/AMC/Statutory charges would be levied as applicable.

*Client will be moved from Default Slab to a lower slab according to the sliding scale table on achieving any turnover condition; either in Delivery, Margin Or in Option . Difference in the brokerage between 2 slabs shall be refunded in your Reliance Securities ledger in the first week of next turnover cycle.

** Default Slab
